

Mario N. Marini is a 1980 graduate of Greenville High School. He subsequently earned his B. A. in Accounting and Business Administration at Thiel College in 1991.

Mario was employed as the Director of Planned Giving at Thiel College where he accumulated over 25 years of fundraising experience. He also has been self-employed as a tax preparer and consultant for more than 33 years. In addition to Mario's service as the first president of the GASD Educational Foundation Board, he also is a member of the Horizon Hospital Authority Board.

Regarding the GASD Educational Foundation, Mario shares, "As a parent of three GASD graduates, I have a passion to help students in the school district succeed by creating scholarships, programming, and endowments to provide much needed resources over and above what tax dollars do not cover. That is one of the main reasons why I became involved in the foundation since its inception in 2018."
