

Scott Simcoe graduated from Greenville High School in 2016. He subsequently earned his B. A. in Accounting and Business at Thiel College and received licensure as a Certified Public Accountant.

Scott serves as Business Manager for the Greenville Area School District where he oversees district-wide business and financial operations. In addition to his responsibilities as Business Manager, Scott is a member of the Baughman Family Community Center Board and a member of The Kiwanis Club of Greenville.

Scott resides in Greenville with his wife, Lexi.

Regarding his membership on the GASD Educational Foundation Board, Scott shared, “I am proud to serve as a member of the GASD Educational Foundation, which acts as a valuable partner to GASD by providing additional resources that enhance the educational experience for Greenville Area School District students and staff.”
